THANK YOU

A big thank you has to go to the EPIC UK committee; without their enthusiasm, for a game that they love, this army book wouldn't be a reality. The wish and will to improve a fantastic tournament wargame, within the UK, has been their only payment.

A big thank you also has to go to Games Workshop; without their imagination, creativeness and support this game would not be around today. A special thank you has to go to Jervis Johnson and all the Fanatic team, both past and present.

Also a big thank you has to go to all the independent EPIC developers, especially the army developers on the Tactical Command internet forum. Without their ideas some of the developments within this book would not be a reality.

ADEPTUS SORORITAS SPECIAL RULES

ACTS OF FAITH

Any Adeptus Sororitas company containing units with the Faithful special rule may choose to perform an Act of Faith when it takes an action test roll.

The formation receives a -1 penalty to this roll (which is cumulative with any other modifiers). If the action test is passed, the formation carries out the chosen action as usual. In addition all units in the formation gain the Fearless and Invulnerable Save special rules until the end phase.

EPIC UK ADEPTUS SORORITAS

WHAT, HOW AND WHY

So you've just finished reading through the new EPIC UK Adeptus Sororitas codex, however you have some questions; what has EPIC UK done? How have we done it and why? Well this part of the army book is here to help you out!

Below you will find out what we've done, how and why we did it. Have a read though this and find out what was in the EPIC UK team's head when we built the Adeptus Sororitas army list.

ADEPTUS SORORITAS

This list is based on the NetEA Adeptus Sororitas army list and so special thanks must be given to all the play testers who have contributed to the development of this list on the tactical command forums which can be found at <http://www.taccmd.tacticalwargames.net/index.php> and to Tom Sanders for his work.

Most changes made are cosmetic in nature and designed to harmonise the list with other EPIC UK army lists and simplify the list for tournament play.

Well I hope this answers your questions of What, How and Why. If not please send the EPIC UK team an email and we will try to answer any queries you may have.

Thank you

The EPIC UK Team
